“The Welcome Baby program helped me understand my baby and develop more confidence as a mother.”

Take the first steps to your baby’s best start.

As part of Welcome Baby you’ll receive:

- A one-on-one appointment after you give birth to encourage your recovery and help you prepare to go home with your new baby
- Information to help you nurture the healthy development of your newborn
- Help with breastfeeding and infant nutrition from a Certified Lactation Educator
- Referrals to additional resources in your neighborhood to help you and your baby

All moms will benefit in different ways based on where they live and their specific needs.

Welcome Baby is part of a network of home visiting programs that support families with newborns. These programs work together to connect you with the services that will best support you and your baby.

This program is available free to women of all income levels who:

- Live in Los Angeles County and
- Are pregnant and plan to deliver at Miller Children’s and Women’s Hospital or are in the hospital after delivery

To sign up for Welcome Baby (or if you know someone who could benefit from it), contact Miller Children’s and Women’s Hospital in Long Beach at: 562-933-2410

Welcome Baby is a First 5 LA-funded program that helps families: maximize the health, safety, and security of their baby; strengthen the parent-child relationship; and access community resources. Miller Children’s & Women’s Hospital Long Beach implements the program to serve the Best Start Central Long Beach, Compton and Wilmington communities.
