

Monthly Inventory Report

Please complete the following inventory report and submit on the 1st of every month. The form will be available to download at the end of each month. Please refer to the Ordering and Inventory calendar for these dates. Completing and returning the inventory form is mandatory and is included in each site's performance matrix.

To help track the effectiveness of the outreach materials, please include a summary of distribution efforts (including where, what, why, how and to whom and quantity of distribution) in the "Distribution Summary" field.

Thank you for your cooperation and diligence in maintaining accurate inventory records of your site's Welcome Baby program materials.
