# Upcoming Webinar:

## Sustaining Evidence-Based Practices Through Strategic Partnerships and Funding Sustainability

Join us for a webinar hosted by CFPIC and ICF aimed at assisting Comprehensive Prevention Planning (CPP) Leads with implementing and sustaining evidence-based practices (EBPs) within the FFPS Program. Grounded in strategic collaboration, fiscal planning, and continuous quality improvement, this webinar will walk through a step-by-step guide that outlines ways to ensure EBPs are implemented effectively and sustainably.

**BE SURE TO ACCESS AND REVIEW THESE DOCUMENTS BEFORE THE WEBINAR.**

### WEBINAR OBJECTIVES

- Explore a framework for sustaining EBPs through strategic funding and partnerships that includes exploring ideas for identifying and engaging cross-sector partners in planning
- Learn how to identify and align funding streams, including strategies for braiding and blending resources
- Understand the role of comprehensive fiscal inventories in budgeting and planning for long-term sustainability
- Discover strategies and tools for risk management and continuous quality improvement to ensure program fidelity and adaptability
- Walk away with templates, tools, and examples that can be utilized for your county's EBP implementation efforts
- Identify opportunities for accessing technical assistance for implementing EBPs as part of your CPP

### WHO SHOULD JOIN?
