

Coloring and Other Fun Stuff for Big Kids

Your family is growing!

Tell your friends and family about Welcome Baby and point them to [WelcomeBabySupport.org](https://www.WelcomeBabySupport.org)!
Funded by First 5 LA, a leading public grantmaking and child advocacy organization.

Here are some coloring pages and other activities for your baby's sibling(s). If you need to focus during your visit with your nurse or Parent Coach, these might help!

Please share the masterpieces your kiddos create! Just snap a photo of the artwork — maybe as part of a selfie so we can see your lovely faces. Then post on Instagram, and tag us: **@WelcomeBabySupport**

Thank you!

Baby Elephants!

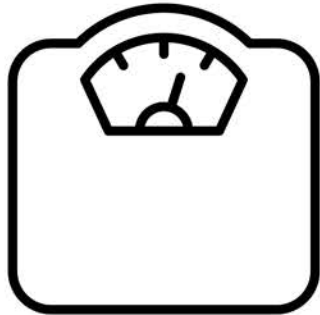

Did You Know ...?

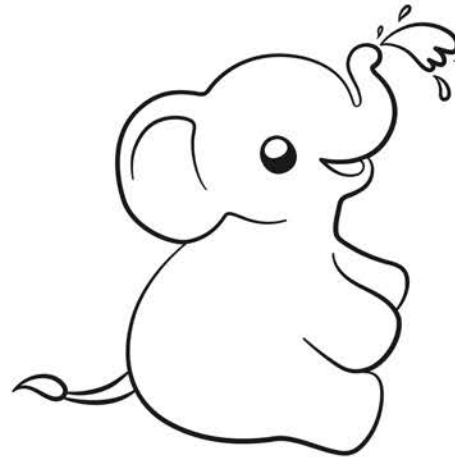

A baby elephant can stand up right after it's born.

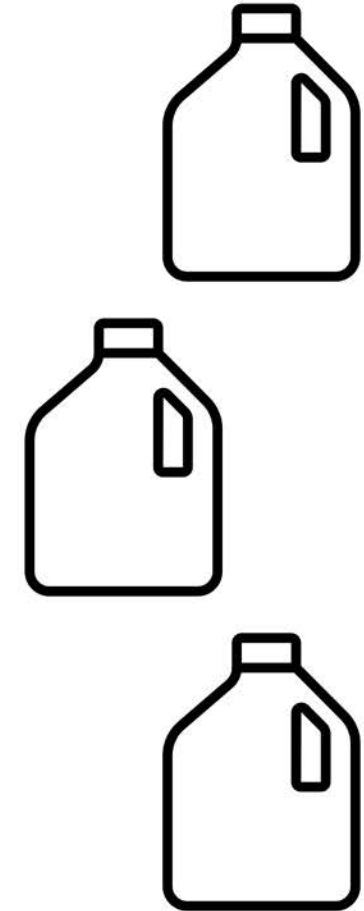

A baby elephant is called a calf.

When it's born, a baby elephant already weighs more than some grown-up people.

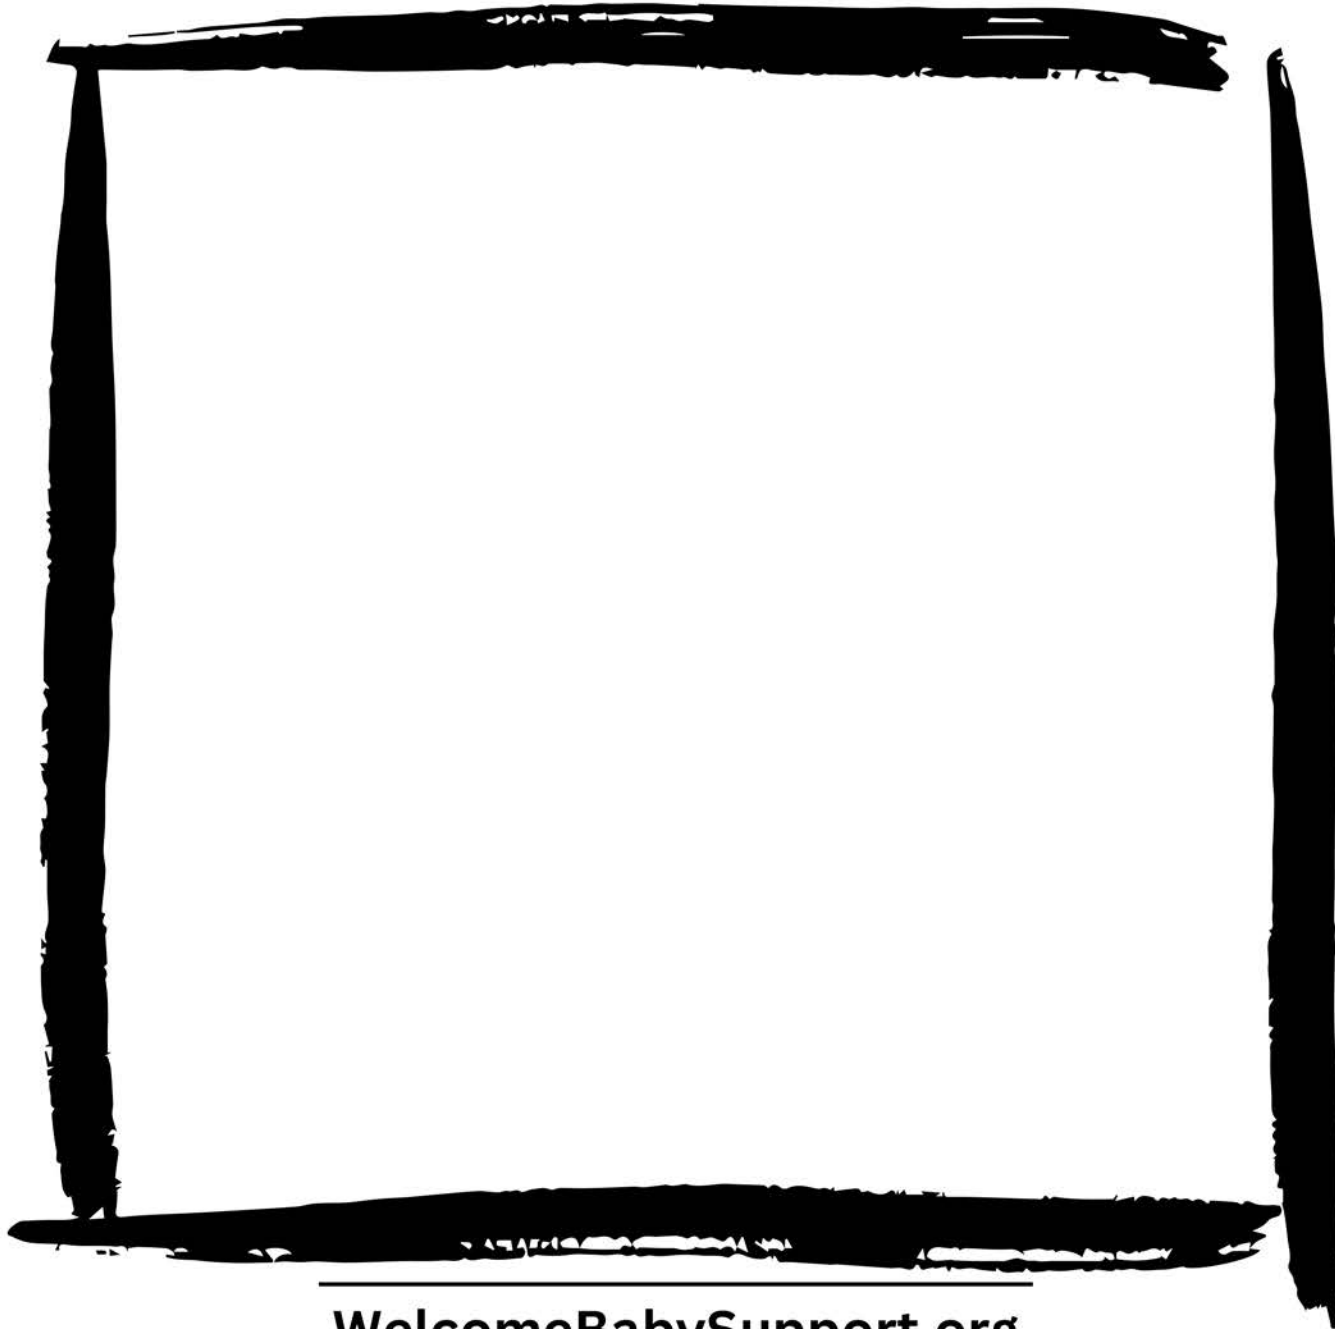

Baby elephants start using their trunks before they turn 1 year old.

Baby elephants drink about 3 gallons of mom's milk a day.

This Is My Family
